## INTERNSHIP CERTIFICATE

This is to advise that Mr. Raami Sharif has completed internship program at SALAMA (P.S.C.) during the summer of 2014.

Raami was introduced to the insurance and re-insurance principles. He then worked in the Medical Claims Department.

Besides the usual daily handling of the medical claims processing, Raami developed a technique to automate the claims correspondence system, a model that the team appreciated as it accelerates their daily work.

It was very pleasant to have Raami working with our team. He was a very serious trainee.
